

Jurcak brings suit to circuit court

FRANKFORT — His petition for rezoning to permit establishment of a mobile home park south of Frankfort and along U.S. 45 having been turned down, last year, Fred Jurcak, of Prestwick, has taken the case to the Will County Circuit Court.

Following a discussion the Frankfort village board decided to file an intervening petition to oppose the rezoning, but the vote was divided.

Trustees Michael McAndrew, Richard Trevathan and Wilbert Klier voted to intervene; Howard Osmus voted against such action; Donald Stupp, abstained, and Lynn Kohlhausen was absent. Village attorney August J. Santoro will prepare the intervening petition.

The board also voted to instruct Santoro to file an objection to the rezoning petition of Robert L. Doyle to establish a trailer home park in the vicinity of Ridgeland Avenue and the Penn Central right-of-way.

Earlier in the meeting Mayor Glenn Warning had read a letter from the Rich Township High School board advising that, that body opposed the rezoning.

Village Attorney Santoro told the board that since the strip annexation of U.S. 30 to Ridgeland Avenue, that Ridgeland to Sauk Trail and Sauk Trail from Ridgeland to Frankfort, Frankfort was the nearest village having jurisdiction.

The objection by Frankfort, Santoro said, would have the effect of requiring a three-quarters vote of the Cook County commissioners to approve the zoning, the

Cook County zoning board of appeals conducted a hearing in the case about two weeks ago.

McAndrews, Trevathan and Klier voted to have the village file an objection; Stupp voted against it. Kohlhausen and Osmus were absent.

The board voted to annex the Karmak Inc. development of six acres north of U.S. 30 and east of the Route 45 & 30 Motel. The board also approved the recommendation of the village zoning board of appeals to classify the tract B-1 and B-2. Plans call for a chain food store, 140 by 200 feet, a package liquor store and several service shops.

Another commercial site was annexed on the petition of Ralph Show. The property is just north of A & W Rootbeer on the west side of U.S. 45 north of U.S. 30.

Show also has a petition slated for hearing tonight (Feb. 16) before the zoning board of appeals. He is asking for a change from R-1 — which all property is classified when it is annexed to the village — to B-2 in order to start a package liquor store there.

Also up for hearing tonight is the petition of Jack Houchens for a change in classification from R-1 to R-1A for the property at 33 W. Bowen. R-1A is for a duplex.

Approved at its last session was an R-1A classification for a lot in Lincoln Meadows for Frank Ruda.

Also annexed last week was the 13-acre Colorado Hills subdivision following approval of the plat submitted by Joseph

Bertoletti who is heading the development. Annexed too was a piece of land that completes Colorado Avenue. The land was obtained by the prospective residents from the Joliet Catholic Diocese.

There are 28 lots in the subdivision, and practically all of them are owned by prospective residents. Bertoletti said the group had looked around in various suburbs, liked what they found at Frankfort and decided to settle there.

The lot owners have put up the money for an escrow fund of \$130,000 instead of getting a performance bond. They couldn't get the performance bond because the lot owners, not contractors or developers, are behind the project. The lot owners put up the money for underground wiring for the street lights.

Included in the money put up by the lot owners was a sum for the paving of the streets with an A-3 blacktop mixture.

As soon as it can get an ordinance the village board plans to change the requirements for surfacing streets from A-3 to I-11. In the case of Colorado Hills an I-11 finish would mean an additional \$13,000 of expense.

The village would pay half of the cost of I-11. Bertoletti said that the gift of the property owners which permits the village to complete Colorado Avenue, would be worth the entire additional cost of the paving.

A piece of industrial property, owned by John Ludwig was annexed. The zoning classification is I-2. There are 40 acres in the tract, located a quarter of a mile east of Center Street, north of Laraway Road.

of the buildings. They urge that the parking area be off Wolf Road. There also was some discussion about drainage.

The village trustees assured the objectors no building permits would be issued while there was any question about the drainage.

Trustee Anthony Dina Sr., suggested the village adopt an ordinance requiring property owners to keep the sidewalks along the front of their holdings free of ice and snow. He is to check with neighboring vil-

Linden court doesn't want street light

FRANKFORT — Lights—electric, came in for a bit of attention at the Frankfort village board meeting.

From residents on Linden Court came a letter to the effect they do not want a street light installed there. There are only five or six families there and they claim they have enough light. Mayor Glenn Warning said that in making up the list for Commonwealth Edison for additional street lights, the one scheduled for Linden Court would be omitted.

The other complaint about lights came from Harlan Eisenbrandt about the bright lights that shine in his windows from Phillips Chevrolet.

He complained previously and village officials took the matter up with the auto agency. It was believed solved but Eisenbrandt said the lights are coming in strong again.

Village attorney August J. Santoro explained that Phillips Chevrolet was not violating any village ordinances in the use of lights in advertising his business and the board could not take any action.

Mokena gives bank approval for construction

MOKENA — Officers of the Mokena State Bank appearing before the village planning commission with plans for a new bank building were given the green light to proceed with such plans.

At probably the next meeting of the planning group the architects are expected to have drawings of the elevations and some details ready and final approval will be given. Bank officials hope to have construction begin this spring.

The officers appearing before the planning body, Lester Johnson and James Cooper, said the plans call for location of the new building, which will replace the present banking house, will be in about the center of the property. The bank owns about a quarter of a block with frontage of three streets, Front, Mokena and First. The plot is 150 feet east and west and 200 feet north and south.

The new bank, like the present one will face Front Street. There will be room for parking in front and at the rear and the drive in facilities will be located on the west side of the building.

Customers using the drive-ins will enter from First Street and exit on Front. Illinois Bank Building Corporation, a Chicago architectural firm specializing on banks, is drafting the plans. Growth of business requires larger quarters, bank officials said. Anticipating such a move the bank began acquiring the property needed for expansion some years ago.

Also before the planning commission last week were representatives of Hillcrest Builders who recently acquired 50 acres on the west edge of the village, across the street west of St. Mary Church. They told the planning body they wanted to utilize 40 acres for single family dwellings and 10 acres for apartments. The property is now zoned R-1.

The Plan Commission said the firm

could begin building single family dwellings when it was ready and had the building permits but that it would have to go before the zoning board to get the necessary classification to accommodate multiple family dwellings.

Lawyers representing Mark Mueller and Richard Sippel were scheduled to appear before the Planning Commission relative to improvements of the lot formerly occupied by the Mall Lumber Co. on McGovney Street, but did not show up.

Some weeks ago Mrs. Harry Mall attempted to get R-5 classification for the property which would permit construction of high density apartments. Her request was turned down by the Zoning Board of Appeals.

Sen. Percy to highlight GOP dinner

JOLIET — Will County's Republican congressional delegation will share speaking honors at the \$25 a plate dinner sponsored by the Young Republicans at the Sheraton-Joliet Motel, Ottawa and Webster streets.

The dinner is slated for 7 p.m. Friday, Feb. 18. Illinois Senior Senator Charles H. Percy and U.S. Representatives Leslie C. Arends and John N. Erlenborn will be the guests of honor.

Percival Reynolds, chairman of the affair, said that proceeds from the dinner will go to the Will County Republican Central Committee campaign fund for county and legislative candidates.

Reynolds said the "Congressional Salute" is a thank you to both Arends and Erlenborn who have represented the county in Washington since 1966 but will be seeking re-election in newly apportioned congressional districts this year. Will County is bracketed with Kanawha and Iroquois counties to form the 17th Congressional District now.

George M. O'Brien, who has been serving in the state legislature is the GOP candidate for congressman in the new district. John Houlihan is the Democratic candidate.

Trustees buy for volunteer firemen, wives

NEW LENOX — Forty-five members of the New Lenox Volunteer Fire Department, and their wives, were guests of the three trustees of the New Lenox Fire Protection District at a dinner-dance given in Bruns Restaurant Saturday, Feb. 12.

The trustees were John E. Francis, Lloyd Lindstrom and Robert Fischer. Woody Cagwin's band provided music for the program and was hired by the firemen. Louis Galante, chief of the 18th Battalion of the Chicago Fire Department was principal speaker.

Other guests were: Assistant Chief Edward Peters, of the Joliet department; Nick Thome, Francis Road, a retired captain of the Chicago Fire Department, and Paul Becker, chief of the Lisle Fire Department, and head of the firemen's training school at the University of Illinois.

Mokena and East Joliet firemen filled in for New Lenox firemen so they could enjoy their evening without interruption.

For shagback

State okays treatment plant

MOKENA — Village officials and Brightwood residents alike were pleased to learn that the Illinois Environmental Protection Agency at Springfield has approved the plans for the sewage treatment plant designed by Robert E. Hamilton Engineers, for the Shagbark Development.

Shagbark is the name of the planned unit development (PUD), launched by the Owens Land Trust from the Penn Central right-of-way south of U.S. 30 and beyond Hickory Creek to the north.

The apparent developers now are Sid Bloom and Thomas Phillips. Mayor Will Tuttle was unable to contact either one of the two last week.

Mokena officials want to know when it can expect work will be started on the sewage treatment plant. Brightwood residents are equally eager for such information.

People in Brightwood, which annexed to the village last year, are concerned as to when they can get sewer service. It was their desire for sewer service that prompted the annexation.

In the beginning it was expected that by now the sewage treatment plant to be located along Hickory Creek in the Shagbark Development would be completed and the sewers hooked up this spring. But there have been delays and instead of being completed the plant has yet to be started.

Using this treatment plant on Hickory Creek would serve Brightwood by means of a gravity flow line running to the plant. If Brightwood has to connect with the present plant north of the village on Wolf Road another lift station will be required and it will cost the residents considerably more, it was said.

At the meeting of the village board last week a delegation from Brightwood was in attendance. Richard Engstrom, spokesman for the group, asked the board to start condemnation proceedings to assure easement for the sewer mains between the plant and Brightwood.

Mayor Tuttle said the village anticipates no difficulty in getting the easement and also figures that desire for sewer service will prompt a property owner between Shagbark and the village limits to annex. That would make the village contiguous to Shagbark and not necessitate using strip annexation.

In other business the board approved the recommendation of the zoning board of appeals for the property fronting the west side of Wolf Road between 193rd and 194th Streets. The property is now reclassified from B-4 to R-4.

It had been the intention of the owners to build a food store there but they have changed their plans and will use the six lots for multiple family dwellings. It was brought out at the meeting that under the zoning rules it would be allowable to build 59 and a fraction dwelling units.

The owners, Gaba and Plebanek sought

a variation from the Zoning Board of Appeals so they could build 60 units. The zoning board denied the request, and the village board pointed out that in variation cases the zoning board decides what is to be done and the village board does not have a voice.

Mr. and Mrs. Emil Reckhamer and Joseph Majher who own property adjacent to the Wolf Road piece on 193rd and 194th Streets respectively, object to having the parking for the apartments on the west side

Extension may relieve traffic

FRANKFORT — Frankfort may lose some of its traffic this year if the plans of the Will County highway department win approval by the Northeastern Illinois Planning Commission for completion of Laraway Road from Center Road, running south out of Frankfort, to Harlem Avenue, a distance of three miles. From there it would join the jog in Sauk Trail and continue east.

Roy Cousins, chief engineer of the county highway department, said that the

Village allows another month to buy stickers

FRANKFORT — The village is giving Frankfort a break on display of village vehicle stickers. They were supposed to be in place Feb. 1, but according to Police Chief T.A. Massey the deadline now will be March 1.

Auto owners living inside the village limit must have the stickers on by March 1 or face being ticketed. So far police have just issued warning tickets, carrying pertinent parts of the ordinance so the car owner ticketed cannot say he didn't know he had to buy a sticker.

The warning ticket carries the date issued, the owners name or license number and the location of the car when ticketed.

The warning states that, "all cars or vehicles regularly parked or housed inside the village must have a current license or sticker. . . . Please stop at the Frankfort Village Hall within 10 days and purchase same, thereby avoiding the penalty of the ordinance."

The warning also advises that the sticker must be placed in the lower right hand corner of the windshield.

Chief Massey said that in the first nine days of the month police have issued 120 warning tickets.

Northern Illinois Planning Commission is reviewing the county's statement relative to the impact extension of Laraway Road might have on environment, if any.

Cousins said that the county's statement says the highway job will not disturb wildlife game preserves, drainage or anything else that might effect the environment.

The proposed extension of Laraway Road would be of two-lane asphalt construction, it was said, and cost approximately \$840,000.

The Northeastern Illinois Planning Commission is not expected to meet until next month.

Cousins is hopeful that approval will be forthcoming soon so the contract can be let by May. If the work starts in May, it should be finished in October.

Completion of this leg would give traffic originating in Joliet or points west and bound for the Chicago Heights area a straight shoot, thus avoiding U.S. 30 and Frankfort. Now traffic that uses Sauk Trail to reach Chicago Heights must go through Frankfort to pick it up.

Completion of Laraway Road will also help Frankfort residents. Truck traffic from industries on Center Road can take

Customers lighten load in register

LINCOLN ESTATES — Will County police are looking for two men who came into the Seeman Food Store on U.S. 30 and asked for a certain type cleaner.

The clerk on duty left her post near the cash register to look for the product.

When she came back the two men were gone and \$300 in cash and \$1,000 in checks were missing. The checks had been under the register, and the cash was in a bank bag.

One of the men was described as about 6-0, and of a thin build. The other was about 5-10, tall and stocky. Both were white and wore short leather jackets.

Trustee Kenneth Warning obtained an ordinance from Crete dealing with senior citizens and village auto stickers. This is to be turned over to the Ordinance Committee for recommendations. It could be senior citizens would be able to get their auto tags cheaper. The committee also might come up with an amendment which make village car stickers cost more if purchased after Jan. 1.

According to Cousins the Laraway extension is one part of a 1972 highway program that will cost over \$4-million. The work is to include some 30 miles of highway, three bridges and a lot of guard rail. The money will come from motor fuel tax, federal aid, and county and highway taxes.

Solo, ensemble contests to be held in Mokena

MOKENA — There is likely to be more than 76 trombones in Mokena this Saturday, Feb. 19, but there will be no parade. The occasion for all those horns is the annual solo and ensemble district contest for D and E class schools of the Northern Illinois Music Association.

Mokena is the host school for the event which is expected to draw some five hundred contestants. Fifteen schools will be represented. Besides the host school the others will be Frankfort; Anna McDonald of Manhattan; St. Denis and St. Joseph schools of Lockport; Lansing-Christian of Lansing; Rockdale; Laraway, Sheridan,

Ill.; Beecher; Monge, Crest Hill; General Patton of Riverdale; Leland, Ill.; Serena, Ill.; Somanauk, Ill., and Channahon.

The contest will be an all day affair and conducted at Willowcrest School. There is no admission charge, and the public is invited. Lunch will be served at the school. The contests in which bands as a whole compete is conducted later.

The Mokena Band Parents will take over the chores that contests, such as are scheduled for Saturday, entail.

Perry Friedman is the director of the Frankfort and Mokena grade school bands.

Oak Forest opposes 159th closing

OAK FOREST — Businessmen, residents, and local officials, along with state representatives strongly opposed the

State of Illinois' plans to close completely a section of 159th Street between Cicero Avenue and Harlem Avenue for recon-

struction. The dissenters' voices were heard at a special meeting at the Oak Forest City Hall, Tuesday, Feb. 8; also attending were state highway engineers, Tom Lee and Fred Trepte.

According to William F. Cellini, Secretary, Department of Transportation, State of Illinois, the award of two contracts for the reconstruction of 159th St., from Harlem Avenue, easterly to Cicero Avenue, (Laramie Ave.) have been awarded to R. R. Anderson Co. for the main drain and sewage system and to Standard Paving Co. for the widening and paving. Low bids were \$194,946.45 and \$2,201,100.57 respectively.

The state engineers stated that because of a peat bog, situated west of Community Motors, Inc., 5900 W. 159th St., that traffic would be stopped completely at the area of the excavation. However, once excavation is completed, a detour would be set up on the right-of-way, on the north side of the street for the remainder of the re-construction of 159th Street.

It was estimated that the peat bog excavation could take from 30-40 working days. Local traffic only will be allowed on the entire highway during re-construction.

State Representative Leland Rayson offered his assistance and may possibly be approached for assistance in gaining right-of-way from the Forest Preserve

District to allow for tentative passage around the peat bog excavation rather than complete curtailment of traffic.

State highway engineer, Lee, said that a costly method of detouring around peat involves the sinking of steel sheeting into the ground to protect the hole from re-filling with soil. When questioned about the present apparent stability of the highway to stand on peat base, engineer Trepte commented that the present highway is no doubt over "railroad ties," etc., which accounts for its strength and durability.

Businessmen along 159th Street stated that the state's proposal would hurt local business to a drastic monetary figure besides the cutback in sales tax revenue returned to the city.

Mayor Bernard Kelly said that the city of Oak Forest will in no way allow the state to continue with the proposal as it now stands. He said that the city has already experienced one death and numerous injuries due to the construction work on Cicero Avenue which has been in progress for the past six months.

Cicero Avenue is still under construction and businessmen have voiced unfavorable comments as to the loss of business in addition to the inconvenience due to the lengthy construction period. Village officials have stated that it is

possible that the contractor is not sufficiently equipped to proceed at a faster rate of construction.

Tinley Park Mayor John Dunn said that he felt the same way as other public officials in opposing the re-construction as planned.

Tom Maras, president of Allied Homes, developers of Bremen Towne, stated that he firmly opposed any closing of 159th Street.

Tinley Park, as well as Oak Forest, would stand to lose a great deal of sales tax returns if the shopping center, located on 159th Street between Oak Park Avenue and Harlem Avenue was cut off from traffic flowing west from Cicero Avenue.

The state has set up a proposed detour on state highways for the period of re-construction. State detours must follow state highways, therefore, the detour for 159th Street, would be north on Cicero Avenue, to 147th Street to Justamere Road, (Gibbons Gardens) and north to 143rd Street, west to Harlem Avenue and south to 159th Street. The state cannot allow a detour placement on the county highway which is 167th Street (167th Street has a load limit not allowing for heavy truck traffic) and the only other through state highway would be south on Cicero Avenue to 183rd Street.

Due to the tremendous amount of opposition voiced by the people, State Re-

presentative, Don Moore's office is presently negotiating for a meeting between state highway officials from Springfield, Chicago, and local city officials.

State engineers said that provisions would be made at the time of re-construction for the possible laying of water mains from Oak Lawn. Oak Forest and Tinley Park are presently awaiting finalization of plans with Oak Lawn for Lake Michigan water.

Power unit, chains are burglars loot

Tinley Park

Feb. 5 — A gas power starting unit valued at approximately \$500 and two 20 foot tow chains valued at \$60 were reported stolen from a tow truck parked in the rear parking lot at Finigan Ford, 17048 S. Oak Park Ave.

Season opens June 19

Ballet debuts at Ravinia

Ravinia will expand its regular season of music and dance to 10 weeks, beginning June 19 and continuing through Aug. 26, to be followed by a theater season, announced Edward Gordon, executive director of Ravinia Festival.

Adding two weeks to the customary eight-week pre-theater season, Gordon has scheduled an opening week of ballet by the City Center Joffrey Ballet Company, making its Ravinia debut June 19 through 24, and eight weeks of classical, contemporary and popular music, instead of the usual seven weeks. The closing week of ballet by the New York City Ballet, Aug. 21 through 26, marks the company's 13th consecutive Ravinia engagement.

As previously announced, the traditional gala concert by the Chicago Symphony Orchestra opens the music season on Tuesday evening, June 27, with the orchestra's first performance of Benjamin Britten's monumental "War Requiem."

Ravinia's second major release of artists and programs for the 37th Festival includes concerti, symphonic repertoire for several concerts and a partial listing of popular attractions.

Newly announced soloists with the Chicago Symphony Orchestra are world-famous pianists Peter Frankl on July 6 and John Browning on July 11, with Istvan Kertesz, Ravinia's principal conductor, on the podium. Three stellar vocalists of the Metropolitan Opera will make their Ravinia debuts: Mignon Dunn, mezzo-soprano; George Shirley, tenor; and Justino Diaz, lyric bass, appearing July 22 in Berlioz' "Romeo and Juliet." Seiji Ozawa will conduct.

Benita Valente, internationally acclaimed lyric soprano makes her first Festival engagement on July 29, under the direction of Lawrence Foster. Renowned soprano Eileen Farrell, the leading Wagnerian tenor, Jess Thomas in his Ravinia debut, and celebrated concert

and opera basso, Ara Berberian will be featured in Act I of Wagner's "The Valkyrie" on Aug. 8, conducted by James Levine.

The famed conductor of the Boston Pops, Arthur Fiedler, has been added to the roster of distinguished maestri appearing this summer. He will conduct the Chicago Symphony Orchestra in a Sunday evening popular concert at 7:30 o'clock on July 9, featuring trumpeter Dizzie Gillespie and his Quintet in their Festival debut.

Last December, Ravinia announced its new summer education program in affiliation with the Northwestern University School of Music. Areas of study in the initial project will be chamber music, violin, cello and piano. The LaSalle String Quartet and Janos Starker were listed as Ravinia artists who will participate in master classes, seminars and lecture/demonstrations at Ravinia. Itzhak Perlman has now joined the guest artists who will be involved in the Ravinia-Northwestern program. A pianist will be announced soon.

In releasing several attractions scheduled for the Wednesday and Friday programs, Ravinia's executive director said the number of popular events will be increased this summer because of the longer season. Buffy Sainte-Marie, a star of pop, rock, folk, country, jazz and even symphonic music, will make her Ravinia debut on Wednesday, June 28. The Preservation Hall Jazz Band brings its classic style of jazz to Ravinia for the third time on Friday, June 30.

Ella Fitzgerald, the reigning queen of songstresses, will return for her 12th Ravinia engagement on July 5. Singer-composer Don McLean, whose recording of his "American Pie" is No. 1 this week on Billboard's Chart of top 200 LP's, will make his first appearance at the Festival on Friday, July 7. Arlo Guthrie, singer-composer whose albums include "Alice's Restaurant," will make

his Ravinia debut on Wednesday, July 12.

Another young singer-songwriter, Melanie, will appear in her first Ravinia engagement on Friday, July 14. On July 19, B. B. King will bring his soulful blues to Ravinia for the third time.

The nostalgic big band sound will come to Ravinia on Friday, Aug. 11, when Tex Beneke, Ray Eberle and The Modernaires with Paula Kelly and their Orchestra star in music made famous by Glenn Miller.

Mary Travers, the "Mary" of Peter, Paul and Mary, will return to Ravinia on her own in a concert on Wednesday, July 26. The well-known rock group, Blood, Sweat & Tears, will make its Ravinia debut on Friday, Aug. 4, and singer-pianist Roberta Flack, who made her successful debut at Ravinia last summer, will appear at the Festival on Friday, Aug. 18.

Missionary work is pastors next call

TINLEY PARK — Richard Kirkland, who was minister of the Tinley Park Church of Christ 1957-1961, and his family are moving to Berlin, Germany in August. They will work there with three other families from America in various missionary endeavors. They will be doing missionary work in Berlin with the Charles Jones family who have been there for five years.

The Kirkland family will share in the worship services of the Tinley Park Church of Christ, 6727 W. 174th St., Sunday, Feb. 20.

Morning worship commences at 9:45 a.m.; Bible School at 10:45 a.m. Slides of the mission work will be shown at the p.m. service. The community is invited to share in the services. A buffet supper and social period will be held at 5:30 p.m. in the church fellowship room.

Richard and Jackie Kirkland are natives of Hammond, Ind. where both attended the Hessville Christian Church. They are graduates of Minnesota Bible College, 1956; Richard receiving his A.B. degree and Jackie, bachelor of Christian education. Richard has attended Lincoln Christian Seminary, Lincoln, lacking only his thesis for his master's degree.

Jackie is currently in nursing training at Florissant Valley Community College and will become a registered nurse in May.

The Kirklands have 17 years of experience in the ministry which they hope will

be an asset in their new field of missionary work. In addition to Tinley Park, ministries

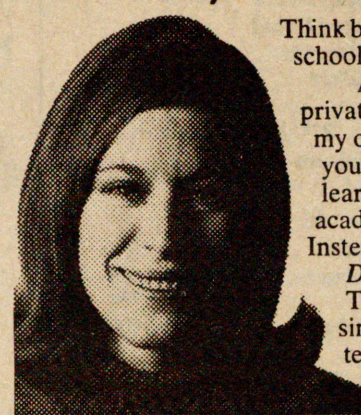

were held in Brainerd, Minn., where a new church was established; Gary and Connersville, Ind.; and Florissant, Mo. since 1967.

The Kirklands have four children: Daniel, 14; Timothy, 13; Deborah, 11 and Rebecca, 5.

The Richard Kirkland family will share in the worship services at the Tinley Park Church of Christ Sunday, Feb. 20. The Kirkland pictures from left to right are: Tim, Richard, Debbie, Becky, Jackie and Dan.

"Even if you couldn't learn French in school, I can teach you!"

Think back. How did they teach you in school? In a class of 20? Or was it 30?

At Berlitz, when you take private lessons with me, you are my only pupil. So you learn at your own pace. And what you learn are not the usual boring academic things, like lists of verbs. Instead we start with simple words.

Du vin. (Wine).

Then I show you how to put these simple words into simple sentences. *"Apportez-moi un verre de vin, s'il vous plaît."* (Please bring me a glass of wine).

Soon you will be chattering away in French as though you had been speaking it for years. Instead of just a few weeks.

And, because only those who have spoken the language from birth teach French at Berlitz, your accent will be like mine. Perfect.

If you still don't believe that you can speak French, I or one of my colleagues will gladly teach you a few phrases, without obligation.

Call us. Or come in to see us. Our phone numbers are below.

Home rule under study

TINLEY PARK — The village heard a briefing Monday night on portions of the new Illinois Constitution dealing with home rule government, a discussion followed the reading of sections of the constitution by village attorney Ed Richardson.

With the 1970 constitution, all cities and villages over 25,000 population automatically received home rule status. Voters in smaller communities, such as Tinley Park, may obtain such powers through a referendum. The constitution also permits the citizens of cities to vote to give up their home rule powers.

The present constitution grants localities greater control over their own affairs than was available previously. Illinois cities with home rule may exercise any power and perform any function pertaining to their own concern without specific legislative authorization.

No enabling legislation is needed for cities to pass ordinances to regulate for the protection of the public health, safety, moral and welfare, or, within certain limitations, to tax and to incur debt.

Home rule powers are not absolute: The state retains the final authority, as the legislature may decide to limit or even deny any specific power local governments have chosen to exercise.

The board was especially interested in the section that provides for the home rule municipality "to levy or impose additional taxes upon areas within their boundaries in the manner provided by law for the provision of special services to those areas and for the payment of debt incurred in order to provide those special services." (The general assembly may not deny or limit this power where municipalities have home rule.)

The board concern in this area is related to school districts funding assistance, and village water and sewer programs. At present, the village has a resolution permitting land and monetary donations by builders to the village for the specified programs.

Board members will be meeting as a committee on Feb. 25 to further discuss the advantages and disadvantages of home rule.

A decision regarding the state of Illinois proposal to enter into a 50-50 cost agreement to traffic signals at 171st

Street and Harlem Avenue was tabled due to the absence of trustee Carl Montecchi. Montecchi is in the process of investigating further money allotments from governmental agencies.

The board discussed at length the duties of the village engineer R.W. Robinson.

Several members voiced objectionable opinions regarding services rendered under the present agreement with the engineering firm, Trustee Richard Durkin said he felt the agreement was, "To un-

State reveals firms awarded Tinley hospital

TINLEY PARK — The release of \$6,053,500 in contract awards to firms for work at the Tinley Park Mental Retardation Center was announced recently by Governor Richard B. Ogilvie.

The contractors who were low bidders, the kind of work involved and the amounts are: Miller Davis Company, Melrose Park, general, \$4,123,000; Fullerton Plumbing and Heating Company, Inc., Cicero, plumbing, \$1,057,846; Resco, Inc., Chicago, heating and piping, \$294,877; and American Electric Construction Co., Inc., Chicago, electrical, \$577,777.

The new complex at Tinley Park Mental Health Center, totaling 50 acres, will cost approximately \$8 million. Facilities will house 400 patients, aged six years and older, who are ambulatory, semi-ambulatory or severely retarded.

Sp ed board

TINLEY PARK — The next meeting of the Executive Board of the Southwest Cook County Cooperative Association for Special Education will be held at the Administrative Center of Community Consolidated School District 146, 17316 S. Oak Park Ave., Tinley Park, on Thursday, Feb. 24, 9:30 a.m.

professional," and that village and engineering firms should be clearly defined. Durkin will deliver to the board at a future date a list of required duties of the firm for the approval of other board members.

In other business the board passed on

a request from police chief Kenneth O'Brien for maximum Blue Cross and Blue Shield coverage for all village employees. The cost to the village for the remainder of the fiscal year will be about \$300. Next year the premium increase and maximum coverage will be automatic.

Orland to consider new business zones

ORLAND PARK — "We're running into the problem of trying to cover many business uses with one business classification," Village Attorney Raymond Pieper told the village board Feb. 14. As a result, the trustees decided

to consider amending the present zoning ordinance with reference to business classifications.

The ordinance presently allows only class C business zoning. A recommendation made by Village Planning Consultant William Lawrence in 1969 provided new business classifications of B-1 (neighborhood), and B-2 (general retail) and B-3 (commercial service and wholesale). Pieper added there would have to be substantive changes in the wording of the ordinance and also provisions for the area where each business classification could be located.

In another matter, the attorney for Peter Vander Ploeg appeared before the board to discuss the settlement offered by the builder in the lawsuit brought against him by the village. He presented a plan for curbs and gutters per village provision and said that the county will issue a permit according to the plan. Attorney John Turner also had a check in the amount of \$15,631 made out to the village to be placed in escrow guaranteeing performance by June.

Turner also represented builder William Giese who plans to build on five lots east of 12nd Ave. and north of the entrance to Silver Lake Country Club. Turner said the builder hoped to be able to cut down the village requirement of a 27 foot road to a 23 foot width in order to save 35 eighty-year-old trees. The board referred the matter to committee.

The board also sent into committee plans and specifications by Hillcrest Builders for a shopping center at 151st St. and West Ave.

Donald Wiese of the Lion's Club received approval from the board for the club to provide a flagpole, Japanese garden and a bronze plaque listing the Orland servicemen killed in World War II. These would be placed at the 147th St. Recreation Center. Wiese said the Lions are willing to offer more aid if needed. The board also told Mrs. Carol Kelly that approval would probably be given for a summer street dance on Avenida del Norte if they put their request in writing.

Class B liquor licenses were approved for Kosnar's Drugs and Mr. Ed's IGA. Class A liquor licenses were approved for Country Cousin, Farmer's Daughter, Silver Lake Country Club, Johnny's Lounge, Ye Olde Rocking Chair and Orland Chateau.

A representative of Gas City Limited arranged to present to the board committee prints for remodeling a garage building north of the proposed site for a Gas City station on the northwest corner of 144th St. and LaGrange Rd.

Glass for recycling should be brought to the rear of the village hall from nine to twelve a.m. on the third Saturday of each month.

Christ Scientist lecturer to give Palos address

A graduate of the University of California, Los Angeles, he has a business and musical background. Since 1953 he has devoted his full time to the public practice of the Christian Science healing ministry. He became an authorized teacher of Christian Science in 1958.

Campbell has served as a Christian Science lecturer since 1961 except for a three year period while he was First Reader of The Mother Church, The First Church of Christ, Scientist, in Boston.

Red Cross offers sailing course

HARVEY — American Red Cross weighs anchor on the coming water fun season with a course in basic sailing beginning Wednesday, Feb. 23.

Basic sailing covers nomenclature, marlinpike seamanship, racing rules and procedure, and history and theory of sailing. In addition, an introduction to first aid will be presented.

The course runs for nine consecutive Wednesdays from 7-10 p.m. at the South Cook regional office, 157 East 155th St.

Persons enrolling should be 15 or older and no experience in sailing is necessary. Registration may be made by calling the Red Cross in Harvey, 331-1075.

Senior club meets

NEW LENOX — The Senior Citizens Happy Hour Club will meet from 1 to 3:30 p.m. Wednesday, Feb. 23, at the New Lenox Lions Den, Fourth Avenue and S. Cedar Road.

Games and cards will be played. If transportation is needed, call Mrs. Edw. Chladek at 815-485-2352.

Church preaches unity of all

They were young and in love and obviously frightened as they sat in the priest's office.

They wanted to get married and there was a crisis; a family crisis.

The boy was a Lutheran; the girl a Catholic.

When the young priest said to the boy, "Tell your mother you won't have to sign any promises and I want her to invite her minister to participate in the ceremony," the relief seen in the faces of the couple was so apparent it could almost be felt.

The day of the wedding would be filled with joy after all as a wedding day should be. There would be no ugly feelings. Neither Protestant nor Catholic relatives would feel slighted.

And so the spirit of ecumenism had removed a few more thorns in the way of Christian brotherhood.

Each year the Moraine Valley Clergymen's Association sponsors an ecumenical service. No compromising of principles; no denying of beliefs. Just an attempt to join together with one's

neighbor in prayer in areas where all can agree. From just such services come the understandings that lead to easing restrictions that so often cause needless pain.

One single hair. One rain drop. One blade of grass. One small motion from the far poles of prejudice to the center where Christ lives.

And so the Lutheran, the Methodist, the Catholic, all faiths of the Palos-Orland-Worth area will meet in St. Michael Church on Brotherhood Sunday, February 20 to dwell for an hour on their common humanity as creatures of the same God.

The Clergymen's Association asked to hold the service at St. Michael Church. It's a large church and will accommodate many.

But there lies a problem; it's a very big church. It takes a lot of people to fill it.

The clergy, like all nervous hosts, will be looking anxiously toward the doors as 8 p.m. approaches to see how many of their congregations will ac-

cept their invitations to "spend just an hour with Me".

Some will say, "It's too cold; I cannot come."

Some will say, "I'm having guests; pray, hold me excused."

Some will say, "I'm too young; I cannot come."

Some will say, "I'm too set in my ways; no."

Some will say, "I'm not very religious; I won't be there."

Some will say, "I've been to church today; don't count on me."

Some will say, "I'm too important; I have no time."

Some will say, "I'm too unimportant; no one will miss me."

And the young clergymen, who preach love and kindness and tolerance, will wait to greet; will wait to see how many of the 900 seats will be filled.

And they'll wait - and wait - and wait -

For you - for you - for you -

Fun vehicles threaten wildlife

At the recent session of the Mokena Village board it was reported that a dog was killed on a residential street by a snowmobile. The minutes of the board meeting noted that the dog was "unlawfully running loose at the time of the accident." The minutes should have gone to say that the snowmobile was also unlawfully running loose.

The snowmobile performs a great service for persons who live in places where there is snow and ice and where the sled is the only practical form of transportation. Such sleds once were exclusively drawn by dogs. Now the gasoline propelled snowmobile has largely taken over the chore. There is no question but they are much faster but they do break down and one Alaskan

who still sticks with dog teams pointed out another disadvantage if bogged down in a blizzard—you can't eat a snowmobile.

In these latitudes snowmobiles can best be described as "fun vehicles." They also play havoc with wild life and can be very dangerous when used around urban areas.

Most villages and cities have ordinances prohibiting the use of snowmobiles inside municipal boundaries. It must be said that most snowmobilers obey these measures and when they make their way to and from their sledding grounds, carry the snowmobile on a trailer or in a truck.

There are cheaters, however, and they not only make it bad for those who heed the law but are downright

dangerous to motorists, pedestrians, and animals.

In Frankfort recently a motorist reported that as he was proceeding along one of the major streets at night, a snowmobile shot out suddenly in front of him running along a cross street at high speed and without lights. The motorist was able to stop in time to avoid running over the snowmobiler. He was lucky. Had he struck the snowmobile he probably would have been arrested and most certainly sued.

Municipalities that have laws against snowmobiles using streets, sidewalks or yards should enforce them. If they don't someone is apt to get killed and then there will be a great clamor.

Mayors urge library support

The week of April 16-22 has been set aside as National Library Week and the mayors of Mokena, Frankfort and New Lenox have joined with other municipal leaders in issuing proclamations urging their fellow townsmen to visit their local libraries.

They point out that libraries are an important cultural asset to any community and those who have them should be thankful. The taxes collected to operate libraries are a minimal amount for the good achieved.

Under state law enacted by the Illinois General Assembly a few years ago libraries have been organized into systems. For example, New Lenox, Frankfort and Mokena libraries are a part of the Burr Oak system which has

its center in Joliet.

The center cannot only get books, resource material and other material from the state but from other library systems too.

All this is shared by the member libraries and the patrons of them can borrow books from any of those in their particular system but also at the Chicago library. Thus, small communities that belong to a library system now have advantages they never had before. They now have access to books and material that their own libraries would not have had the means to acquire.

In as much as residents here can borrow books from a Chicago library they should be interested in the battle

going on there to tear down the main Chicago library that occupies a block of Michigan Avenue between Randolph and Washington Streets. Foes of this move want the library to remain as a landmark.

Of course, this is a very valuable piece of real estate and where there is real estate worth millions that is owned by a form of government there is apt to be some hanky panky that is private individuals, corporations or those trusts that serve as hideaways for persons who would rather the public remain ignorant as to what is going on, who got what, and how much.

It is hoped that the Chicago city council will not observe National Library Week by using the occasion to sell the library down the river.

On second thought

It's got to be done with mirrors!

By Glenn Logan

Tuesday of last week was an instructive day, as far as this department is concerned. Your correspondent has seen automobiles torn apart, blown apart, stripped, and taken apart by mechanics but Tuesday of last week was the first time he has ever seen one put together.

The occasion was an invitation to witness the five millionth car turned out at the Chicago assembly plant of the Ford Motor Co. That was another thing learned that day, that Ford has an assembly plant in Chicago. We know that Ford had a plant east of Chicago Heights because of going to Indiana via U.S. 30. Someone said it was a place where vast rolls of sheet steel come in one way and go out another in the form of car bodies, hoods, etc.

All the things that go into the making of a car are shipped to the assembly plant, and presto! Out comes an automobile.

The Chicago plant produces the big Fords. The smaller ones come from other assembly lines and the Thunderbirds come from California and Detroit.

Another fact garnered was not only did Chicago have a Ford assembly plant, but it has had one in Chicago since 1914. The first plant was at 39th and Wabash but in 10 years it was outgrown and the new one opened at its current location. This has been added to time and again and there is now 1,425,000 square feet under one roof.

It is your correspondent's belief that this is an understatement as it seemed to him that he personally covered some two million square feet in the 45 minute walking tour of the plant made at a rapid pace.

It was old hat to area dealers, like Dave Bergman, representing Cooper-Hostert Garage of Mokena; Del Krumwiede and Tom Lawler, of Cooper-Show, Frankfort and Art Coughlin, of Finigan Ford,

Tinley Park, but for their guests it was quite a show. Mayor Will Tuttle and Lester Johnson, of the Mokena State Bank were among the guests.

The late Henry Ford was the innovator of assembly line but if he could see what it has become he would be amazed, if not somewhat puzzled. Of course, today they probably do it with computers, but the programming must leave the programmers mentally exhausted, if not completely gone.

There are pieces that stay suspended near the roof until needed, while everywhere bits and parts of an automobile-to-be float through the air or slide along rails. With this piece painted there and that piece is painted away off yonder, or burnished, or crumpled or otherwise shaped to make a great jumble of parts in various stages of dress and undress and in all the colors of the rainbow, mixed in what looks to be an unscramble mess.

Then things begin to jell, this part falls

Retirement home plans are underway

TINLEY PARK — Negotiations are under way for a retirement home within the Tinley Park village limits.

The site being considered by Leisure Village, Inc., Chicago is in the area of 163rd Street and Harlem Avenue and will be incorporated into the over all planning of Brentwood, Allied Home Builders, Inc.

Complete details rest upon final negotiations, however, the general concept will be room and board, (single or double) for

a certain amount of dollars a month. Included will be recreation and other benefits, however, no nursing provisions will be made. The complex will be for active, ambulatory retirees.

Leisure Village, Inc., has in the past located their buildings in areas near shopping and city, or, village facilities.

They are a nationwide building corporation. Plans call for the building of the living units to be under way before the end of the year.

Petitions are available

MARKHAM — Nominating petitions for the office of member of the board of education of School District 144 may be secured from the administrative office at 3015 West 163rd Street, Markham, between the hours of 8:30 a.m. and 4 p.m. on week days.

The first day for the filing of nominating petitions is Feb. 23, and the last day for the filing of nominating petitions is March 17. Nominating petitions are to be filed at the above address.

School District 144 serves portions of Country Club Hills, Hazel Crest, Markham and Oak Forest and includes the fol-

lowing schools: McClaughry, Markham Park, Canterbury Elementary, Pottawatomie, Highlands, Fieldcrest, Nob Hill, Chateaux, and Canterbury Junior High.

Board members at the time of election must be a citizen of the United States, age 21 years or over, a resident of the State and the territory of the district for at least one year immediately preceding the election, and shall not be a school trustee or a school treasurer.

Current members of the board of education whose terms will be completed are Betty Petersen, Betty Roesemeier, and George Hilliard.

Board hopefuls must file

TINLEY PARK — Nominating petitions for the membership of the Board of Education of Community High School District Number 228, Cook County, Illinois, in connection with the election for board members to be held in said School District on April 8, must be filed only with Frederick O. Flener, Secretary of the board of education of the school district,

or his designated representative, as follows: Monday through Friday between the hours of 8:30 a.m. and 4 p.m., at the Administrative Center, 15233 Crawford Ave., Midlothian.

The first day for filing of nominating petitions for the said election is February 23, and the last day for filing of said nominating petitions is March 17.

McGovern delegates to meet

CRESTWOOD — Third and Fourth District George McGovern supporters will hold an afternoon for George McGovern, complete with live entertainment and well-known political personalities.

The afternoon cocktail party will be held from 3-7 p.m. Sunday, Feb. 27, at the Crestwood Palace, 131st Street and Cicero Avenue.

State Representatives Tony Scariano

and Lee Rayson, who are honorary chairmen of the Fourth Congressional District McGovern for President Committee, will lead off the afternoon's activities.

Music and other entertainment will also be provided during the afternoon.

Tickets and other information are available from area McGovern delegates or by calling Ron Zakaras, 779-2829, Les Johnson, 798-3700 or Mary Ferrich, 424-6825.

Group tankers sink Riverside

TINLEY PARK — The Tinley Park Age Group Swim Team conquered the Riverside-Brookfield Age Group in a swim meet Feb. 11 at Riverside-Brookfield High School. The Otters were accomplished competitors, but as the last swimmer thrashed to the wall, the battle ended and the score was Tinley Park 340 and Riverside-Brookfield 326.

Coach George Gillberg's Age Group Team thereby extended their season record to 5-1, and must be recognized as a strong contender in the Moraine Valley Conference Championship Meet scheduled for March 18 at Evergreen Park High School. The next meet for the Tinley Park Team is to be Sunday afternoon, Feb. 27, against Thornridge Age Group at Tinley Park High School.

Eagle loss skein at 7

ORLAND PARK — The Sandburg Basketball Team did succeed this past weekend in continuing their extended losing streak to seven games. The Eagles lost to Bremen on Friday night in a high-scoring battle that ended 95-85. Saturday the Eagles fell to Homewood, 70-49.

Hosting the Bremen Braves on Friday was a good affair for the Eagle offense, with four players in double figures.

The Braves opened up a six point first quarter lead and were never seriously threatened.

Art Crummie led the Eagle offense with 21 points. Jim Koranda, Randy Bengston, and Scott Sim chipped in with 18, 16, and 15 points respectively, for the Eagles.

Saturday night the Eagles seemed to lose that accurate shooting touch and found themselves 17 points down to the Vikings when the first half ended.

The Eagles never really regained composure in a battle where the Viking fast break was a bit too quick to handle. Numerous fast breaks not only kept the Viking point total up but also seemed to demoralize the Eagles.

Art Crummie, the leading Eagle scorer thus far this season, did not even start the Viking game and saw only limited action in the second half.

Eagle center Jim Loukota had a season high personal point total of 12 to lead the Eagle scorers.

Knights, Bengals, Titans in sectional

TINLEY PARK — A powerful Lockport team dominated the action in the Tinley Park district wrestling meet last week. The Powers won the team title with 98 points to head the 11 team field and advanced six wrestlers to the Naperville sectional Feb. 18-19.

While Lockport ran away with the honors area teams qualified wrestlers for sectional competition. The first and second wrestlers in each weight division qualify for sectional competition.

Lincoln-Way had the area's only champion with Mike Bachmann winning the 126 pounds title. Ken Codini placed second for Lincoln-Way at 167-pounds.

Hosting Tinley Park qualified two matmen. Randy Reagan was second at 132-pounds, and Bob Martin was second at 155.

Sandburg SW swim champs

By Dave Lumley

ORLAND PARK — Carl Sandburg's Eagles splashed to one of the most exciting and dramatic victories of any season last Saturday at Oak Lawn's pool in the Southwest Suburban Conference meet.

The Eagles, regular season leaders in conference with a perfect 5-0 mark, won the meet on the last event, the 400-yard relay.

The relay was composed of Al Gillberg, Jr., a freshman who was outstanding throughout the meet, Andy Merz, Tom Kaptur and George Merijohn. They posted a time of 3:28.3.

Sandburg finished with 258 total points. Homewood-Flossmoor had 256, Evergreen Park 194, Bremen 177, Oak Lawn 148, and Reavis 86. This meet marks the 11 straight time Sandburg has won conference.

Gillberg had to be the hero of the day winning the 200-yard freestyle with a 1:54.1 time and then came back to win the 400-yard freestyle with a time of 4:06.9. He also swam on the winning 400-yard freestyle.

Andy Merz captured the 100-yard butterfly posting a :58.1 and George Merijohn won the 100-yard freestyle with a :51.1. Jim Mantell took diving honors with a total of 379.95. Mantell broke the record of 352.4 held by Dave Hobson of Homewood.

Oak Forest had sophomore Tim Gerdes finish second at 119-pounds.

Joliet West finished second to Lockport with 78 and one-half points. Tinley was fourth with 55 and Lincoln-Way fifth with 46. Oak Forest had 18 points, and Providence three.

Bachmann beat his first round Lockport opponent 6-2, then outwrestled Scott Furlane of Joliet Central, 6-0 in the title bout.

Gerdes pinned his first foe and then carried Lockport's Jim Vicich into overtime in the title bout before losing 5-4.

Reagan opened with a 6-2 win for Tinley and lost 2-0 in the title bout against Gary Karn of Lockport.

Martin opened with a 4-0 win, beat his second foe 6-2, and lost 7-1 to Ken Lewis of Lockport in the title match.

Codini of Lincoln-Way won his opener 5-3 and lost the title to Mel Carson of Joliet West 3-2.

Gymnasts win, then lose to Lane

CHICAGO — A win and a loss marked Lincoln-Way gymnastic action last week. The Knights won with a 91.00-85.47 over Reavis. The next day the Knights lost a close decision to Lane of Chicago 100.89-100.54.

Lincoln-Way is now 2-2 in Southwest Suburban action, and 6-8 for the season. The Knights had two firsts against Reavis with Jay Clark on the side horse and Mike White on the trampoline.

Against Lane Pete Smith won the free exercise, Clark won the sidehorse and Dave Mooney won the trampoline. Mike Hughes was first on the still rings.

Weekend is easy for Lincoln-Way

EVERGREEN PARK — It was an easy weekend for the cage Knights of Lincoln-Way. Lincoln-Way rolled to a pair of easy Southwest Suburban Conference wins over Reavis and Evergreen Park.

Friday the Knights turned in their highest point production of the season with a 96-73 win over Reavis, and followed that with a 88-50 win over Evergreen on Saturday.

Lincoln-Way leads the conference with a 10-2 mark. The Knights are 14-5 for the season.

Terry Ryan poured in 38 points against Evergreen and got 17 point support from John Schilling. Ryan accounted for 14 of his points in the final quarter, and Schilling paced the team in the third period with 13 points.

Lincoln-Way finished with a 39-31 rebounding edge, although the Knights 6-5 Jim Gross kept the Mustangs in the game

with his rebounding, until he fouled out.

Surprisingly Evergreen held a 20-19 halftime edge, but Ryan and John Pirko spoiled the Mustangs hopes. Pirko paced the Knights with his all-around play and scored 12 points. Bob Surdey, tallied 13 points.

The 38 point effort by Ryan was his second highest of the season, as it paced the Knights to their fourth straight win.

Using a zone press to get off to a fast start against Reavis, the Knights opened a 27-17 first quarter lead. Reavis scored 25 of its points in the final quarter against the Knight's reserves.

Ryan was the only Knight to play the entire game and scored 28 points. Pirko continued to take some of the pressure off of Ryan with his fine play, and Greg Heckler continued strong under the boards.

St. Mary cagers' gain split with St. Emeric

MOKENA — St. Mary's Basketball Teams played two games last week. The first night of play was against St. Emeric. The final score was 44-31, St. Emeric winning.

D. Wilson was high point man with 9, T. Roach had 7.

Top boys for St. Emeric were: N. Calvi, 12, G. Berden, 10, and J. Gillund with 7.

The heavyweight game was a turnabout with St. Mary's coming out on top by the score of 57-45 thanks largely to George White who scored 36 points.

The scoring for St. Emeric was much closer with J. Nicholson with 13, M. Dabe with 12, and S. Holmes with 9.

The second night of play was against St. Joseph of Lockport. The lightweight game saw St. Joe top St. Mary by 51-36 with B. Armin scoring 11, and J. Mortenson 8.

The scoring for St. Joe saw K. Kuzna far ahead with 22, and S. Zan with 12.

The heavyweight game was a closely contested match with an overtime being necessary to determine the winner. The score was a 43-43 at the end of regulation play.

St. Mary's enthusiasm in the overtime netted them a large assortment of fouls which made the difference in the final score, 51-44.

Titans two time losers

TINLEY PARK — Tinley Park's basketball suffered its tenth and eleventh losses of the season last week. The Titans, now 2-11 for the season, lost a league outing to Bradley 82-66. Saturday they traveled to Indiana for a game with the state's top team, Michigan City, and lost 96-61.

Against Bradley the Titans trailed 37-35 at the half, but mistakes in the third period enabled Bradley to move ahead. Bradley also had a sensational 36 out of 40 at the free throw line for the night.

Tinley displayed balanced scoring against Bradley, led by Kirby Bullard with 15 points. Randy Lindstrom followed with 13. Jack Triezenberg, Steve Bettenhausen and Larry Audas each hit 11.

At Michigan City the Titans faced a front line that measured 6-7, 6-7, and 6-6. Michigan City dominated the boards making 11 shots on the second rebound and five on the third rebound. Triezenberg led the way with 18 points, followed by Lindstrom with 15.

Friday the Titans meet Southeast Conference foe Hillcrest at 8 p.m. at Hillcrest. Saturday they will meet Bloom in Chicago Heights at 8 p.m.

Kids 'wheel' into Tinley

TINLEY PARK — The Tinley Park High School Booster Club will sponsor a national wheelchair basketball game at 7:30 p.m. Thursday, March 2, in the high school gym, 6111 W. 175th St.

This game will feature the University of Illinois "Gizz Kids", an exciting, entertaining wheelchair basketball team, playing a conference game against the "Champion Black Knights," another wheelchair team.

Tickets at the door are \$3 for adults and \$1.50 for children. Pre-game discount tickets are available now until Feb. 25 from Booster Club members or at the high school athletic office, for \$2.25 and \$1.25.

The "Gizz Kids" is part of the rehabilitation-education center program for physically disabled students at the University of Illinois. Wheelchair football, basketball, baseball, track and field, archery, bowling, table tennis, fencing and cheerleading are some of the activities for college students with permanent physical disabilities.

The "Gizz Kids" share of the basketball receipts is the sole source of income for this activity program.

OYA holds tourneys

ORLAND PARK — Orland Park's OYA basketball league held its two all-star tournaments for 10 and 12 year-olds last week. The groups were split into two different teams, one the NBA and the other the ABA.

The NBA group won the 10 year-old game 36-26 and also the 12 year-old game 32-30. The teams then played DuPage State school for boys in an exhibition contest and won 84-44.

A group of all-stars will now prepare for the upcoming tournaments including the international tourney, which will be held in April.

The individual points again saw George White high point man for St. Mary's with 21, Les Golden with 11.

St. Joe had W. Kendzioro with 13, C. Piazza with 12, J. Vassor with 10.

St. Mary's Wrestling Team also had two activity days with a dual meet against the Joliet Boys Club at Joliet. Dale Slusarski at 50 pounds won on points 4-0, Don Schofield lost on points at 55 pounds 4-2, Dennis Slusarski at 60 pounds tied 2-2, David Hovi at 65 pounds lost on points 3-2, Pat Geary at 70 pounds was pinned, Bobby Mansell at 75 pounds also was pinned, Jim Sitsburger at 80 pounds lost on points 6-0, Doug Slusarski at 85 pounds lost on points 6-0, Tom Cumbee at 90 pounds lost on points 8-2, Steve Gorman at 95 pounds was pinned, Ken Sitzburger at 105 pounds lost on points 6-4, George White at 120 pounds won, Tom Goebig at 125 pounds was pinned.

In exhibition matches Bryan Schofield lost 4-0, Ken Mansell won 2-0, Pat Geary won on a pin, David Hendrickson lost 9-2, Mickey Murray was pinned, Tom Gorman won 7-0, Richard Mansell lost 5-0, Chuck Wallis won 5-0, Dan Louis was pinned and Kevin White was pinned.

St. Mary's hosted Tinley Park in the second dual meet of the week. Dale Slusarski lost his first match of the year on points

6-4, Don Schofield won with a pin at 55 pounds, Dennis Slusarski at 60 pounds tied 2-2, David Hovi at 65 pounds lost 6-2, Pat Geary at 70 pounds lost 7-2, Bobby Mansell at 75 pounds lost 4-0, Jim Sitsburger at 80 pounds was pinned, Doug Slusarski at 85 pounds lost 2-0, Tom Cumbee at 90 pounds tied 2-2, Chuck Wallis wrestling out of weight at 95 pounds lost on points after a hard fought but decisive match 12-1, Steve Gorman at 100 pounds was pinned, Tom Strilich at 110 pounds was pinned, Ken Stisburger at 105 pounds was pinned, Rich Mansell at 115 pounds was pinned, George White at 120 pounds showing improvement all year won on points 8-2, and Tom Goebig at 125 pounds lost 7-0.

In exhibition matches for St. Mary's Bryan Schofield won 6-0, Ken Mansell tied 0-0, Mickey Murray won 2-0, Dan Louis lost 5-0, Kevin White was pinned and David Hendrickson lost 4-2.

The Wrestling Team has a dual meet scheduled at home tomorrow evening, Feb. 17 against Oakview of New Lenox who were state champs last year. The meet will be in the "Cow Palace" on 195th Street and 116th Avenue and will begin at 6 p.m. A second dual meet is scheduled against Troy at home on Feb. 22 beginning at 7 p.m.

Providence can end season at 500 mark

NEW LENOX — This weekend will determine if Providence will have a .500 basketball season. The Celtic are currently 5-7 in Private League play, and 10-12 for the season, with two league games remaining on the schedule.

Friday the Celts travel north to play Luther North, and close out the season Saturday, February 19, by hosting Illiana. Last week the Celts split in league action. Friday they lost an overtime decision 77-75 to Luther South, but the following night came back strong for a 76-51 win over Walther Lutheran.

Earlier in the season Walther had beaten the Celts 77-52, but Saturday the Celts threw up a zone press that forced the Broncos into making 11 turnovers in the first quarter as Providence moved to a 21-9 lead. So effective was the Providence defense that Walther committed a total of 32 turnovers and the Celts converted 11 of these into baskets.

At one point the Broncos failed to score point for over five minutes. Joe Prieboy with 24 points and Steve Gant with 16 paced the winners.

Friday the Celts were down by 11 late in the third quarter and rallied only to have the disappointment of losing in over-

time. The teams were tied 69-69 at the end of regulation play.

At one point in the third period Luther had a 46-35 lead with three minutes, but when the fourth period started Gant's shooting brought the Celts to life.

Gant tallied 14 of his 25 points in the final period to key the Celts rally. The Celts dominated the overtime period, but couldn't overcome their slow start enough to salvage the game.

Sandburg tankers on conference team

ORLAND PARK — Last week four Sandburg wrestlers were named to the Southwest suburban All-conference team. 98-pounder Mark Butz, 132-pounder John Walker, 167-pound Jim Webster, and 145-pounder Joe Tholl were picked from Sandburg.

The selections are determined on total points gained throughout the year. The Eagles finished with an 11-8 record and 4-3 in conference. Butz is a sophomore while Webster, Walker, and Tholl are all seniors.

Seneca foe for Celtics

NEW LENOX — Providence will face a stern test in first round regional basketball play at Marseilles, February 22. The Celts will play Seneca in second round action at 8:30 p.m.

Although Seneca is competing in regional action for the first time this season the Irish, who compete in the Coal Valley Conference, had a 13-9 season mark going into this week's action.

Providence will have to stop Dan Reardon, the team's 6-3 center who has a 13 point game average. Seneca coach Gerald Brucker, in commenting on Providence said, "They are a good ball club, and a strong defensive team. On offense they have a pair of real sharpshooters in Priboy and Gant."

Providence is competing in the Class A division for schools with enrollments of 750 and under. The winner of the Providence-Seneca game will meet the winner of the Marseilles-Mazon game in semi-final action Thursday, February 24, at 7:30 p.m.

Eagles win district mat

ORLAND PARK — The high flying wrestling Eagles of Carl Sandburg captured the Evergreen Park District wrestling meet last Saturday outdistancing their nearest competitor, Stagg, by 29.5 points.

The Eagles will have seven grapplers going on to the sectional meet at Oak Lawn Feb. 18-19; five of them as champions of the district.

Sandburg finished with 110.5 total points, Stagg 81, Reavis 75, Evergreen Park 65, Oak Lawn 54.5, Luther South 15, Richards 13, Quigley South 10, and Chicago Christian 7.

Coach Don Schultz of the Eagles was very happy as Sandburg was crowned District Champs and pointed out this was one of the few times the Eagles had a full team in Competition.

Mark Butz was runnerup at 98-pounds. Mike Bronson was the 105 pound champion beating out Jeff Melvin of Evergreen Park.

Dan Presbeterio took the 126-pound championship for the Eagles. Duane Capodice was the 138-pound champ crushing Bob Remes of Stagg for the honor.

Jim Webster took the 167-pound championship beating Craig Beadnell of Reavis. Mark Eirekson was runnerup to Evergreen's Mike Gallapo at 185.

Heavyweight Mike Kettman took the honors beating George Huensch of Luther South.

Parents, faculty cage clash set

OAK FOREST — It's time for the second annual Bengal Booster Parent-Faculty Basketball game. This years evening of fun is set for Saturday, Feb. 19, at 7:30 p.m. in the gym of Oak Forest High School, 152nd & Central Avenue.

This is the first fund raising event for the year and the proceeds will go toward school and student needs.

A baby sitting service is being offered by the Pep Club for children between ages 5 and 9. The fee is 25¢ per child. There will be fun and games for the children.

Tickets are limited and on a first come-first served basis. The tickets may be purchased at the Oak Forest High School or by calling Randy King 388-4001.

The prices of the tickets are adults \$1.50, students 50¢. Please plan on being there and on having a fun filled night.

Bowling notes

ORLAND PARK — The R.M.F.'s took sole possession of fifth place this past week in the Carl Sandburg Bowling League by sweeping their three-game series.

The R.M.F.'s record is 11-1, just ahead of the Superpros at 10-2.

Bob Bugel who held the high league average at 176 led all bowlers with a 653 gross series. Bugels series included a fine 257 game. He was followed by Fred Nichols 581, Greg Johnson 537, Ron Armour 519, Fave Keller 516 and Cerise Pierson 503.

The Carl Sandburg bowling team surged into first place this past week as the Eagles took two games from the Stagg Chargers. Oak Lawn High, who led at the start of last week, dropped three games to Marist High last week to fall into a tie with the Eagles, both with 14-7 records. Bob Bugel led the Eagle bowlers with a 551 series.

Titan Tankers set 3 records

TINLEY PARK — Despite three record breaking performances by team members, Tinley Park finished second to Hillcrest in Southeast Suburban Conference swim meet hosted by Tinley Park.

Hillcrest scored 92 points to win the meet. Tinley was second with 84 and one-half points. The Titans won three events and broke records in all of them. Jeff Muys set two conference records and Fred Flor set one for the Titans.

Muys won the 200-yard free style in a time of 2:00.7 to better the old time of 2:02.6 set last year by a Thornton Fractional South swimmer.

Muys also bettered the 400-yard free style mark in a time of 4:22.3, bettering the old mark of 4:35.5 also set last year. Flor turned in a record performance in the 100-yard breaststroke in a time of 1:08.2 to better the previous record of 1:10.6.

Oak Forest unluck in regional draw

SOUTHWEST — The luck of the draw proved unlucky for Oak Forest first round class regional play. Oak Forest, a two year school which has only sophomores on its team, will play in the Palos Heights Regional hosted by Chicago Christian.

The Bengals drew the hosts in the first round. Christian, with a 21-1 record, is ranked among the states top prep teams and is paced by 6-8 center Don Noort, one of the area's top scorers.

The two teams open the regional action Monday, Jan. 21, at 7:30 p.m. Oak Forest Wally Linn's Bengals have had a losing season, with their tallest man 5-11. They face the almost overwhelming tasks of stopping Noort and a couple of his teammates who are in the 6-5 category.

"Even though we only have sophomores

I figure that play in the regional would be a good experience for the boys. If I had any idea that we were going to be in the same regional with a team like Chicago Christian, and that we had a possibility to play them, I might not have gone into it," Linn said.

The winner of the Monday game will advance to the semi-final game Wednesday, February 23, against the winner of the Little Flower-Illiana game.

In action last week Oak Forest lost to the Rich Central junior varsity, 70-53. Chuck Lilly was the team's top scorer with 14 points. The Bengals are idle this week, and will conclude their season February 28, against Tinley. Next month the Bengals will host a sophomore tournament.

It's sign-up time

ORLAND PARK — Registration for the 1972 summer sports program will be conducted by the Orland Youth Association from 10 a.m. to 4 p.m. Saturday, Feb. 19, at the High Point School, 14825 West Avenue. All children who reside within Orland Township may participate in the program. The family membership fee is \$3.

This year the boys leagues are set up as follows: Peanuts, 7-8 years old, \$8; Minor, 9-10 years old, \$8; Major, 11-12 years old, \$9; Pony, 13-14 years old, \$15; and Colt Travelling teams, 15-16 years old, \$15.

Girls leagues include 7-9 year olds, 10-12 years old and 13-15 years old, all \$7.

The OYA Board has requested the co-operation of all parents in making this a

successful year. Volunteers are needed for a position on the board, commissioners, and team managers. Interested persons may contact Ray Estand, 349-2853 or Charlene Hassel, 349-9065.

TINLEY PARK — Tinley Park Boys Baseball will hold its annual registration Feb. 25 from 5-9 p.m. at 17145 S. 66th Court, Feb. 26 from 10 a.m. to 4 p.m. at the same location.

Boys will register for the majors, minors, Babe Ruth and American Legion league on those dates. Registration is \$12 a boy, and \$20 for two or more boys. All equipment and insurance is provided free of charge.

Sports Shorts

OAK FOREST — Chess classes, sponsored by the Oak Forest Park District, will start at 6 p.m. Wednesday, Feb. 16, at Foster School, 5941 W. School St.

The park district also announced that there are still openings for boys and girls tumbling class conducted at Hill School on Tuesdays. Ages five through six meet from 4-5 p.m. and ages seven through nine meet from 5-6 p.m.

Tennis classes at Foster School will run from 8-9 and 9-10 p.m.

Open games for children five through nine years old are being held at Hill School at 4 p.m. on Thursdays.

Competition basketball and volleyball for girls 13-17 years old is being held from 6-9 p.m. on Mondays at Laramie School.

Classes for these programs are now in progress, and registrations are still open and may be made at the Park District's office 15423 S. Cicero Ave., or at the class. There is a \$3 registration fee for all classes except chess and open games which are free.

Further information may be obtained by calling the park district, 687-7270.

ORLAND PARK — Carl Sandburg will once again hold its annual Baseball Batgirl contest this year. New head baseball coach Ron Mellen expects it to be just as successful as last year's if not more. "More than 60 girls applied last year and I know it must have been difficult to choose," said Mellen.

To enter all a girl has to do is write in 50 words or less "Why I want to be a Batgirl." All entries must be in by March 2 to the schools' main office.

Mellen says the girls will be chosen on

knowledge of the game, dependability, and appearance. The girls will handle the bats and scorekeeping.

Each girl will dress in the Eagle Batgirl outfit of blue and gold. Last year's girls were very popular. Mellen also thought the girls helped team morale and cut down on swearing. "The guys weren't so quick to swear their heads off with four girls standing there last year and it made them play better," said Mellen. Eight girls will be chosen and will alternate at home and away games.

MR. & MRS. DON A. ANDERSON

Two wed in wintertime candlelight ceremony

NEW LENOX — In a candlelight ceremony, Charlene Lucille Thomson became the bride of Don Alan Anderson, at 7:30 p.m. Jan. 15 in the United Methodist Church, Plainfield. Rev. George W. Martin performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. James K. Thomson, 604 James St., Plainfield and the groom's parents are Mr. and Mrs. Leonard C. Anderson, 110 Hickory Street, New Lenox.

Yellow gladioli and white carnations decorated the altar which was centered with the marriage candle. Mrs. Vernis Kastman, Plainfield, was the organist and Miss Lynn Schroeder, Lisle, cousin of the groom sang "One Hand, One Heart" and "For All We Know."

The bride, escorted to the altar by her father, wore a floor length gown of white Peaudesois, Juliet style, with seed pearl trim and Aurora Borealis clusters. The high neckline and leg o' mutton long tapered sleeves were accented by the seed pearl trim. The trim also accented the empire waistline and the A-line skirt fell into a beautiful attached full length train.

Her elbow length illusion veiling attached to a Juliet cap of white velvet completed the brides ensemble. She wore her grandmother's gold wedding band and wore pearl earrings that were a gift from the bridegroom. She carried a cascade bouquet of white daisies, yellow roses and baby-breath.

Mrs. Sandra Coover, sister of the bride, was matron of honor. She wore a floor length olive green linen gown with a stand-up neckline, empire waist and long sleeves. Antique lace trimmed the antique white front bib effect and white cuffs. Her headpiece was a cluster bow of olive velvet with attached shoulder length veiling.

Bridesmaids were Miss Dotie Jean Anderson, Bloomington, Minn., sister of the groom; Mrs. Kathy O'Connell, Aurora and Mrs. Deborah Brotcke, Dekalb.

Their gowns were identical to the matron of honor. They all carried a single long stemmed yellow rose with green velvet streamers. Kimberly Coover, niece of the bride, was flower girl and was dressed like the other attendants. She carried a basket of yellow and white rose petals.

Dale L. Anderson, brother of the groom served as best man. Groomsman were:

Jerry Loucks, Joseph Stricker and Raymond Rowswell.

The ceremony was ended by a marriage candle service.

Mrs. Thomson, mother of the bride, wore a dress of mint green crepe with silver thread illusion and silver accessories. Mrs. Anderson, mother of the groom, wore an emerald green knit dress with matching green accessories. Both wore corsages of yellow tea roses.

Immediately following the ceremony a reception for 325 guests was held at the Marne Post American Legion Hall, Plainfield. Yellow and green candles and lily of the valley flowers decorated the brides table. A white Irish linen covered table held the beautiful 5 tiered wedding cake.

Miss Penny Schluter, Joliet, had charge of the guest book, Miss Mary Edward and Miss Nancy Knowles the gift table, Miss Lynn Schroeder and Miss Cindy Knowles cut and served the wedding cake and Mrs. Russell Scent was in charge of the buffet.

The new Mr. and Mrs. Anderson honeymooned for several days in the eastern states and are now at home to their friends in Joliet.

NEW LENOX — Lenten observances begin on Ash Wednesday, Feb. 16, in the United Methodist Church, with the observance of Holy Communion in an evening service.

This will be followed by a series of Wednesday evening fellowship suppers with special programs. The first will be on Feb. 23 with a program sponsored by the building committee.

The New Lenox Parent Teacher Organization is sponsoring a Fun Fair from 1-7 p.m. Saturday, Feb. 19 at Oakview School. Twelve booths will house games, cotton candy, son-cones, bakery, a cake walk, clowns, and balloons. Barbecue, hot dogs, chips, and drinks will be sold in the all-purpose room.

The New Lenox Sportsmens Club Auxiliary will meet Feb. 16 at the home of Mrs. Kay Jeffery, 313 Central, New Lenox. Mrs. Mary Van Haelst will be her co-host. Plans will be made for the Easter bake sale, and spring white elephant sale.

It started in 1914

In 1914 Ford started assembling Model Ts in Chicago. Since then the auto maker has put together more than five million Fords in Chicago assembly plants. Tuesday morning of last week the five millionth Chicago made Ford rolled off the Torrence Avenue plant line and Del Krumwiede and Tom Lawler of Cooper-Show, Frankfort, were on hand to inspect the special Galaxie 500 model.

ARBURY HILLS — The Cub Scouts of Arbury Hills will have the annual Blue and Gold Banquet at the VFW Hall in Mokena on Monday evening, Feb. 28 beginning at 7:30 p.m. for the Cub Scouts and their fathers. The cost of the banquet will be \$2.50 per person and the money is to be brought to the Den Mothers by next Sunday, Feb. 20.

The Fashion Show sponsored by the Summit Hill Parent-Teacher Organization will be held at the Silver Lake Country Club next Tuesday evening, Feb. 22, at a cost of \$2.50 per person. Tickets may be obtained at the door or in advance from Mrs. Haack at 479-9600.

There will be Hot Dog Day at the Arbury Hills School on Feb. 25.

For those who are unaware of it, there is an ice skating pond next to the well house on Birch Avenue. There is no charge for its use and it is open to all. Have fun!

There will be the annual election of members of the Arbury Hills School Board on April 8. Petitions will be available at the Arbury Hills School from 8:30 a.m. until 4:30 p.m. every schoolday. Dates for filing the petitions will run from Feb. 23 through March 17.

The voting this year will be for two, three year terms. The terms of John Hayden and Larry Morris are expiring.

In spite of the announcement of the Joliet paper to the contrary, Milton and Pam Frederiksen, 19632 Beechnut Drive became the parents of their first girl, not a boy. Kristen Leslie Frederiksen presented herself at the Silver Cross Hospital,

Joliet, on Jan. 24, when she weighed in at seven pounds 11 ounces.

She came home with mother to be viewed by her "big" brother Brian who is two years old. The family decided that she made for a nice assortment of children and would become a permanent fixture.

Frankfort

The Frankfort Fire Department and their wives will have a fun night of bowling on Saturday, Feb. 19 at Brunswick Bowling Alley, Chicago Heights.

Walter Mark underwent major surgery at Silver Cross Hospital last Friday morning.

Mr. and Mrs. Robert Potts, 334 Greenfield Lane, Frankfort, are the proud parents of a boy born Feb. 5 at St. James Hospital, Chicago Heights. He has been named Richard James.

Vicki Lynn Batson, daughter of Eugene Batson, Sauk Trail, Frankfort, was named to the Dean's List at the University of Corpus Christi, Texas, for the fall semester of 1971. She is a senior accounting major.

Double ring ceremony marks Tinley nuptials

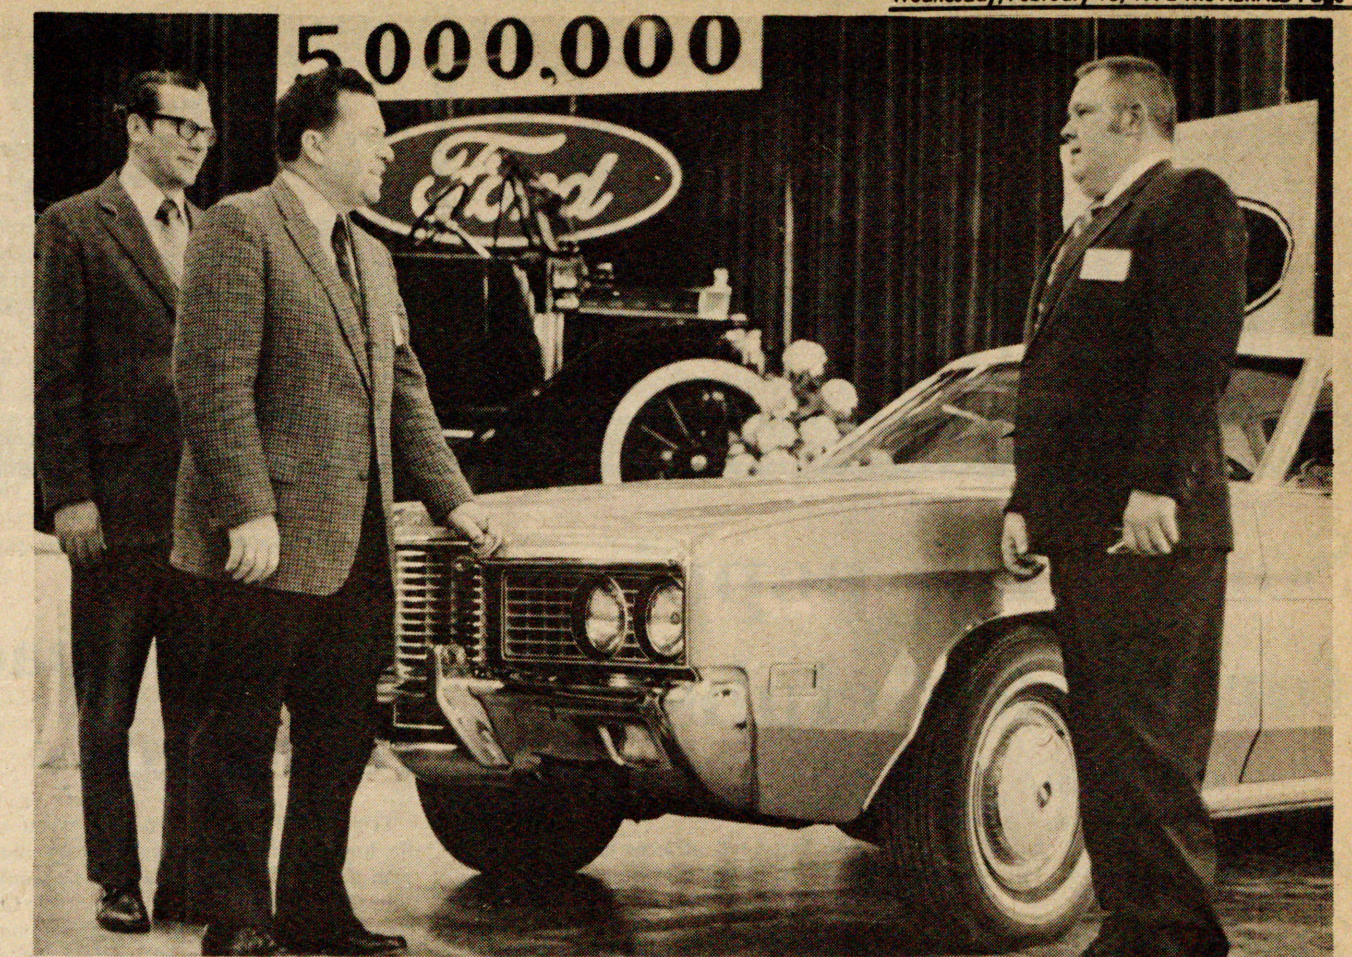

The altar at Green Garden United Methodist Church was adorned with chrysanthemums as Jane Harriet Rehberg, daughter of Mr. and Mrs. Wilfred J. Belssner, R.R. 1, Peotone, became the wife of Earle Edward Bettenhausen, of Monee, during a double ring ceremony Nov. 21. The afternoon ceremony was performed by the Rev. Richard Dunn.

Bettenhausen is the son of Arthur and the late Irene Bettenhausen, 80th Avenue, Tinley Park.

Mrs. Richard Dunn singing "The Lord's Prayer" and "O, Perfect Love" was accompanied by organist Mrs. Norman Gill.

The bride, escorted to the altar by her stepfather, wore a full length gown of acetate and nylon lace over acetate taffeta lining and a satin panel. It was styled with a stand-up collar. Bishop styled lace sleeves and a full attached train. The headpiece of acetate and nylon lace with acetate satin petals was trimmed with simulated pearls. She also wore a strand of pearls which was a gift from the groom. She carried a cascade bouquet of white carnations, roses and poms.

Miss Linda Mather, Frankfort, served as the bride's maid of honor. A cameo pin accented the Victorian styling of her brown chiffon gown. Ivory velvet lace edged the stand-up collar, long puffed sleeves and the ruffles of the V-shaped bodice. Tiny velvet flowers were scattered on the matching two tier

Lincoln Estates

LINCOLN ESTATES — Mr. and Mrs. Robert Wheeler entertained at a party recently in honor of their daughter Linda who was celebrating her birthday. Guests were Harry Cardillo, Mr. and Mrs. Rick Fitzgerald and son Jack, Mokena; Mr. and Mrs. Dave Schuelke and family, Schererville, Ind. and Mr. and Mrs. Dennis Wheeler and family.

Mr. and Mrs. Rick Fitzgerald, Mokena, are the parents of a baby girl born on Sunday, Feb. 6 at Silver Cross Hospital. She has been named Jory Jayne. She will be welcomed home by her brother Jack. The paternal grandparents are Mr. and Mrs. Richard Fitzgerald, Manhattan and the maternal grandparents are Mr. and Mrs. Robert Wheeler.

Mr. and Mrs. Larry Tompkins have sold their home and have moved to Pratt, Kan. The new owners are Mr. and Mrs. David Bishop, formerly of Tinley Park.

The first parent workshop was held at the Ann Rutledge School Jan. 31. The workshops are designed to discuss the various educational developments within the school. Everyone is invited to attend. The next one will be held on Monday, Feb. 21 at 8 p.m. They are to be held the first and third Monday of the month.

On Feb. 25, there will be a half day of school due to an In-Service Workshop dealing with the English curriculum. The children will be dismissed at noon that day. Early dismissals will be on the first and third Monday of the month. School will let out at 2:45 p.m. On Tuesday, Feb. 8, two nurses visited the pupils of the Ann Rutledge School and gave them a demonstration on the proper care of the teeth. They were Miss Sandy Schroeder and Debbie Simpson, both members of the Will County Dentist Assistants.

The cataloging of materials in the Learning Center is nearing completion, thanks to the many hours of work by Mrs. Jack Newton and Mrs. Phil Steck. We should be able to have the room functioning in a relatively short period of time.

The Ann Rutledge Parent Teacher Organization held their meeting on Monday evening, Feb. 7. In the absence of the president, the meeting was presided over by the vice president, Mrs. Joe Machtemes.

The colors were presented by Cub Scout Pack 237 under the direction of Leonard Granzky.

Donald Purpura, physical education teacher of the Summit Hills schools put on a demonstration of the benefits of P.E. and the differences for first through sixth grades. He was assisted by the sixth grade pupils. The room count was won by the sixth grade.

The Arbury Hills PTO is having their fashion show on Tuesday evening, Feb. 22 at the Silver Lake Country Club. Tickets are \$2.50 and are available at both of the schools and will also be available at the door. Refreshments were served by Mrs. Ray Albright and Mrs. Eddie Fields. The Summit Hills school board will hold their next meeting on Wednesday evening, Feb. 23.

The children of the Ann Rutledge School had a hot lunch on Thursday, Feb. 3. The menu consisted of barbecue on buns, potato chips, brownies, milk or Kool-Aid. Those who donated and served the food were Mrs. Gary Liston, Mrs. Hugh Stipan, Mrs. Robert Heavenner, Mrs. Lee Gericke, Mrs. Clarence Zimmerman, Mrs. Roy Robertson, Mrs. Jack Newton, Mrs. Wayne Sulkowski, Mrs. Phil Steck, Mrs. Nancy Sojka and Mrs. Ray Lorden.

The Junior Girl Scout Troop 378 will be taking orders for Girl Scout cookies

in Frankfort and Lincoln Estates from Feb. 25 until March 5.

The cookies will be delivered during the week of April 14-20. The cookies are 50 cents a box with the profits going to the building and maintenance of Camp Pokanoka, near Ottawa, Ill.

This is a 250 acre camp site that every girl in the Trailways Council has an opportunity to use. The Junior Cadettes and Senior girl scouts may troop camp, use the pool and shower house. The Brownie troops may plan play days and use the pool. If your order for cookies has not been taken by March 3, please contact Mrs. Eddie Fields at 469-5639.

The Cub Scout Pack 237 will hold their annual Blue and Gold banquet on Sunday evening, Feb. 20 at the American Legion Hall, Frankfort. The dinner will begin at 5:30 p.m. The entertainment will be a Magic act and the Hand Bell Chorus of the St. John's United Church of Christ, Mokena. The boys will also receive their awards at this time. Tickets for the banquet are \$1.50. For children under 6 tickets are \$1. They must be purchased by Feb. 18. For tickets you may contact Leonard Granzky at 469-5095 or Richard Kovar at 469-5381. The public is invited.

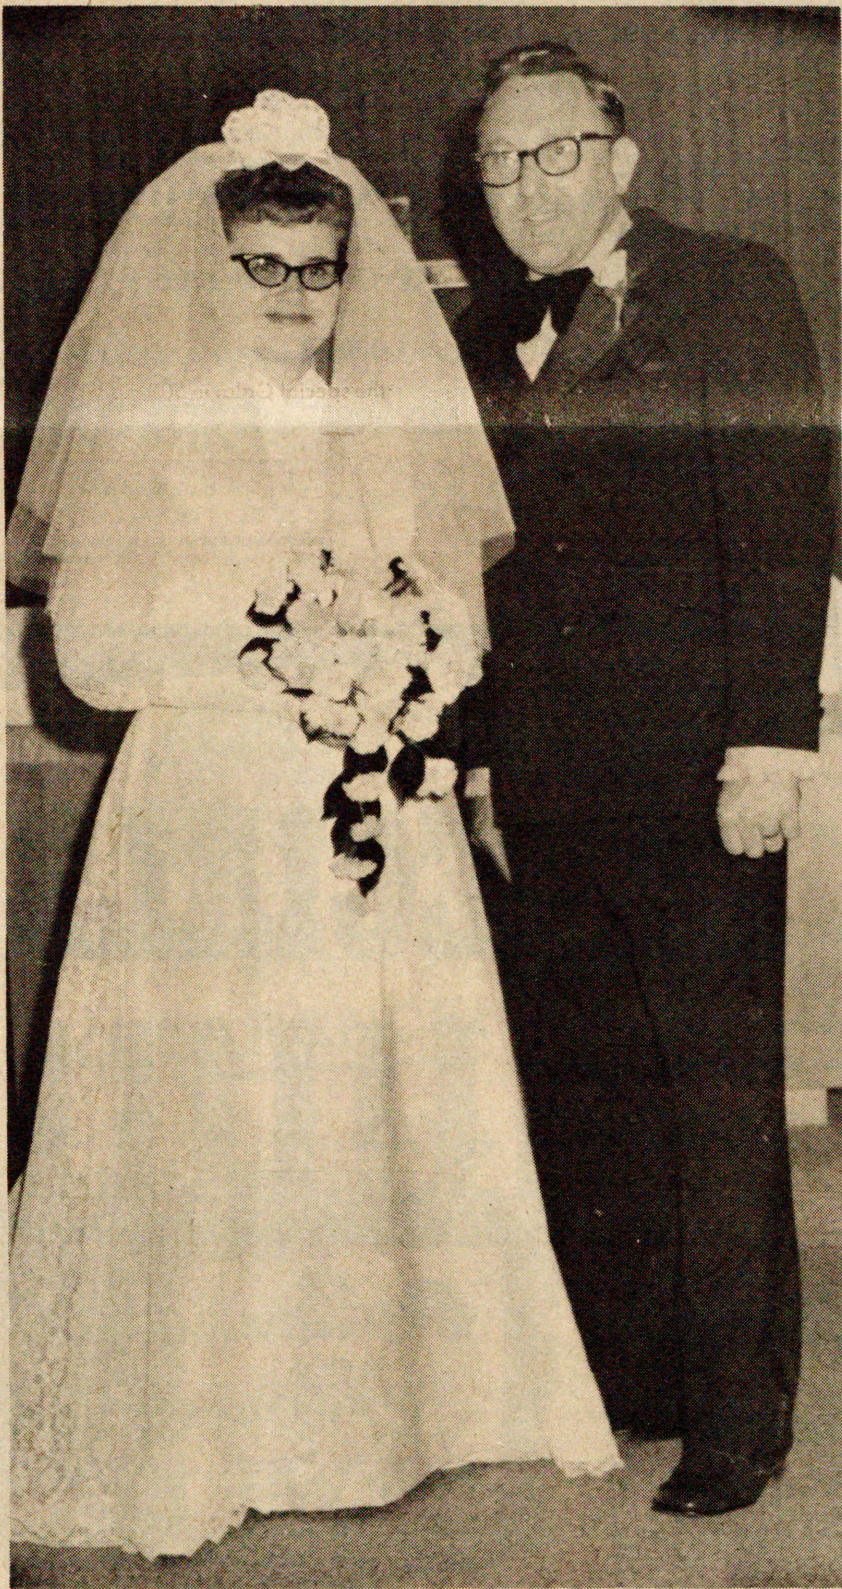

Marley

MARLEY — The Women's Society of the Marley Community Church will meet at the church on Wednesday, Feb. 16, at 7:30 p.m. The hostesses will be Mrs. Francis Peterson, Mrs. Arthur Maue, and Mrs. Royal Corp. Devotions will be given by Mrs. Maue.

The program "To Russia With Song", will be presented by Mrs. Walter Rogby, Joliet. Colored slides will be shown on a Russian trip taken by Mrs. Rogby's husband who is music director at Homewood-Flossmoor High School.

Miss Susan Schwab, bride elect, was honored at a miscellaneous shower in the Fellowship Hall of the Marley Church on Feb. 12 in the afternoon. The hostesses were Mrs. Mary Griffin and daughter Etha and Mrs. Harwood Stellwagen and daughters Mary Jane and Diane. Miss Schwab will be united in marriage with SP/4 Thomas Tilsy on Feb. 19 at the Marley Church.

Mr. and Mrs. Russel Lauffer entertained at a family dinner party in their home on Sunday, Feb. 13 in honor of the 89th birthday anniversary of Mrs. Lauffer's mother, Mrs. E. D. Gillette. Guests were Mrs. C. W. Lauffer, Mr. and Mrs. Harley Gillette, Morris; Mr. and Mrs. Burton Gillette, Morris; and Mr. and Mrs. Edward Sproat.

Tinley has four classes in careers

By Debbie O'Connell

Although you may not have known, this is Career Education Week. From Feb. 14 to the 18th special emphasis is being placed on careers at TPHS. The four programs responsible for this are Distributive Education (DE), Diversified Occupation (DO), Health Occupations (HO), and Office Education (OE). Schools nationwide are also participating in Career Education Week.

The four teacher coordinators: Leo Bigus, Wallace Dralle, Mrs. Virginia Burke, and Mrs. Sandra Stolarski are holding an "open house" at TPHS in Room 118 all through the week.

There is a wide variety of career information that will be available to any interested students.

Free pamphlets on specific careers, materials for office use only, and a colorful display will highlight the open house.

Many curious students are expected to turn out for the event. Nobody wants to miss a good thing. The four coordinators will also be interviewing those students who wish to join the Career Education Program next year.

see Miss Kathy Siwinski or a Pep Club officer.

The Pep Club officers have adopted a new policy. From now on there will be a meeting every Tuesday unless otherwise announced.

Attendance will be taken at all meetings, and home wrestling meets and basketball games. If you miss more than five meetings without a good reason and don't talk to Miss Siwinski, you're removed from the roster and are no longer a Pep Club member.

Attendance at meetings has been scanty. Out of over 200 members, there is an average of 7-10 people present.

If you work, or it is impossible for you to attend, see Miss Siwinski, tell her your reason, and you will not be dropped as a member.

At the home games, attendance will also be taken and merit points will be given. All you have to do is report to the Pep Club ticket taker when you pay your reduced rate after showing your Pep Club I.D. Card. Also, help is needed in the concession stand. If you can help, sign up with Miss Siwinski.

A Thought To Remember

BY BOB HIRSCH

Medical science has proved heart transplants can be made to give a new life; at least for a while. Lest it be forgotten though, life AND death are intermingled in every heart transplant. One person must die before another is given hope for continued or new life. It follows in the pattern that a seed must die before a plant may bloom.

With our scientific progress a plain truth must also be remembered. "It is He that hath made us and not we ourselves." Boldness, inventiveness and miraculous happenings are made possible only through A Higher Power — not through man himself. When that fact is ignored, forgotten or not acknowledged, no array of gadgetries or knowledge can restore life to that which is dead . . .

Club sponsors Arun

TINLEY PARK — The Office Education Club of Tinley Park High School is presently sponsoring an underprivileged orphan from Chiang Rai, Thailand as an international service.

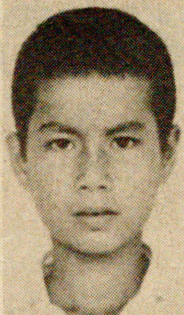

The child's name is Arun Choernporn, he is 14 years old, 4 feet 10 inches tall and weighs 71 pounds. His father was killed while in the army and his mother drowned. He makes his home now in the United Village Hostel in Chiang Rai.

"The Office Education Club is comprised of students enrolled in the Office Education Co-operative Program at Tinley. These students felt the need to stretch their services across the sea and by participating in fund-raising activities they are able to sponsor Arun," according to Mrs. Sandra Stolarski, faculty co-ordinator of the high school group.

Rich C. coach would rather play Tinley Park

TINLEY PARK — Coach Leggett of the highly rated Rich central basketball team has been quoted as saying he would rather play Tinley Park in the regional. Tinley is supposed to be an easier game than Hillcrest. Rich central had better start worrying as the "easy" Titans beat the undefeated Rich in conference basketball 66-62.

Leading the way for the Titans was Kirby Bullard with 30 points and an all around great game. The tough Rich press was destroyed by the outside shooting of Bullard. On defense Kirby held Rich central's star guard Jordan Crump to 14 points. It must be said that Crump was hurt. On the way to the team bus Crump was in an accident.

Tinley led right after Rich scored the first three. Tinley never lost the lead after that.

At half time the Titans led by six. In the third quarter the lead was cut to two.

As it became more obvious that this was Tinley's game, the bench began getting excited. With the Titans stalling Jack Triesenberg was fed the ball under the basket for the clinching basket and the bench erupted. After the game the rest of the season looked pretty good.

The Titans went out the next night and were beaten by a Stagg team by 20 points. The Titans looked tired and the only bright spot was junior guard Larry Audas who scored eight points while the rest of the team was standing with the ball. Audas has been scoring on the junior-varsity, around 20 points in the last three games, will probably be seeing more action in the future. Audas is not afraid to shoot. Watch for him next year.

Flabby's advice to the lovelorn

Dear Flabby,

Well, I never thought I'd be writing to you, but I can't stand it anymore. My boyfriend, an all star softball pitcher on the school team is cruel to me. He beats me, and hits me, yet he tells me that he loves me. Can you tell me what I can do?

"BRUISED IN BURBANK"

Dear "B-B"

After reading "Everything you always wanted to know about blank, but they wouldn't print it" by Dr. David Rufus, I have determined something about your boyfriend. He is wierd. Now there are two things you can do. The first is to go along with this. Buy him a bullwhip and an iron maiden, or whatever strikes his fancy. Your second choice is to drop him, and try to find an insurance company with low rates and high pay-offs. In any case, enjoy! enjoy!

LEGAL NOTICE

Cook County Personal
Property Assessment for 1971

This publication is the official notice to property owners, of the 1971 PERSONAL PROPERTY assessments made in the town and district indicated.

RETURNS AND ESTIMATES: THE LAW PROVIDES THAT, WHERE A PROPERTY OWNER FAILS TO RETURN A SWORN SCHEDULE LISTING HIS PROPERTY THE ASSESSOR OF COOK COUNTY MUST ESTIMATE ITS VALUE ACCORDING TO HIS BEST JUDGMENT AND INFORMATION, AND ADD THERETO A PENALTY OF 50 PER CENT. ASSESSMENTS RAISED ON ESTIMATES AND RETURNS HAVE EQUAL STANDING IN LAW.

The amounts herein listed are the assessed values of personal property as of April 1, 1971 as determined by the Assessor of Cook County.

The amount listed as the assessed value is not the tax. The tax may be determined by multiplying the assessed valuation after it has been equalized by the Department of Revenue of the State of Illinois by the tax rate in the Town and District in which the property is assessed. The Assessor has nothing to do with the equalization of values or the establishing of tax rates.

BASIS OF COMPLAINT ON ASSESSMENTS:

Where a property owner has a specific claim of over or under valuation, complaint may be filed with the Board of Appeals in the County Building immediately after this notice.

INFORMATION ON ASSESSMENTS:

Each property owner who has any questions in regard to the same, should inquire at the office of the Assessor of Cook County, Room 312, County Building. Information will be furnished without cost.

P. J. Cullerton
Assessor of Cook County

Tinley Lions donate \$500 to record unit

TINLEY PARK — The Tinley Park Lions Club recently presented a \$500 check to the Palos-Orland Unit of Recording for the Blind, which provides listeners with complete and accurate audio reproductions of printed educational books. The unit continually strives to guarantee listeners that the recordings include everything that is available to sighted readers of the same texts.

A \$250 check was also presented to Leader Dogs For The Blind. Another \$250 check was sent to Illinois Camp Lions located on Hastings Lake near Lake Villa, Ill. Over 300 visually handicapped children will be able to spend summer at this camp because of Illinois Lions support.

"Dialogue," a recording magazine for the blind, was also the recipient of a \$250 check. "Dialogue" is becoming more and more in demand throughout the country

and is entering its second decade in filling void in communication for the blind.

The Tinley Lions also presented a \$250 check to The Hadley School for the Blind.

A \$100 check was given to the Vision Conservation Institute who recently held the Save Our Sight program at Fulton School where over 100 persons were referred to eye doctors for further examinations.

Donations for 1970-71 included \$400. Palos-Orland Unit Recording for the Blind; \$100. Illinois Blind Activities Life Fund; \$150. Hadley School for the Blind; \$150. Leader Dogs for the Blind; \$100. Illinois Camp Lions; \$520. aid to local residents; \$100. Illinois Society for the Blind; \$175. Lions Care Program; \$100. Tinley Park Volunteer Fire Department; \$45. Tinley Park Little League, and \$45. Tinley Park Bulldogs. The Lions sponsor Girl Scout Troop 315.

Teachers ask board for stronger support

TINLEY PARK — Teachers from District 140 last Thursday answered charges by Mrs. Margaret Turner about the placement of her daughter Peggy. Members of the American Federation of Teachers local 2101 presented a statement reaffirming an earlier decision on Peggy's placement and also accusing the school board of "buck-passing."

Mrs. Turner had charged a conspiracy against her and her daughter. She had originally objected to Peggy being switched from a room where she was "successfully achieving" to one where she was being "restricted, stifled and very soon educationally ruined." Mrs. Turner said she had received no satisfaction in going through channels with the superintendent and principal.

Speaking for the teachers, James Scala, president of the union, said, "This case has now transcended the circumstances and has become an issue to the district, the administrator and the teachers. What should have been a simple case of the school board stating and reaffirming placement policy has been exploited and blown out of proportion."

"With the influx of new students, it was necessary to create another sixth grade class. The teachers, in accord with past practice were required to submit a recommendation of those students to be transferred. The five teachers who conferred on the placement, having a total of 27 years teaching experience, made the decision placed on educationally sound criteria."

"The principal and superintendent concurred with the recommendations and the children were placed in Room 6F. Mrs. Turner's immediate reaction and con-

sequential actions have perplexed the teachers, as she has never made a reasonable attempt to confer with the teachers."

The teachers also feel that the issue has been mishandled by the school board and its refusal to take a definite stand as to the placement of students. "As teachers, we want to know where the board stands on this issue," said Scala. "Will the board members support educationally sound recommendations made by teachers and backed up by the administrators or do they wish to make every placement, recommendations notwithstanding, themselves?"

Fraulein guest speaker Friday

OAK FOREST — Sigrid Preik, a 27-year old German girl, who for 15 years was trained and educated in the communist schools behind the Iron Curtain, will share her experiences of life under the communist at 7:30 p.m. Friday, Feb. 18, at the Church of God of Prophecy, 159th and Oak Streets.

Miss Preik will also show slides of some of the countries she visited while traveling around the world.

She and missionary Gwen Schmidt, who will also attend, recently returned from Pakistan and refugee camps in India where the horrors of war and famine existed.

For the past six years Sigrid has spoken to denominational churches, college and university campuses, elementary and high schools, dormitories and radio audiences.

Special music will be provided by Mr. and Mrs. Scott Buss of Blue Island. Pastor Joseph Pendergrass has extended an invitation to the public to attend this meeting.

A Letter to OUR READERS from YOUR CARRIER

Dear Reader:
I thought I would write you this little note to explain to you why I stop by each month to collect for the paper.

Each month I get paid for delivering the paper to your home. For each home I collect from, I receive a commission. This is my way to increase my earnings and make my paper route worth while.

I work very hard giving you good service by getting your paper to you in good condition in all kinds of weather. I hope you have been happy with my service.

I will be stopping by sometime this week to again collect for the month of February. I hope my service has been satisfactory and you enjoy reading our paper enough to want to pay me this month.

Thank you very much

Health group selects officers

WILL COUNTY — Mrs. Earl Keniston of Manhattan, one of the founders of Will County Health Improvement Association, will be its president during the coming year.

Elected Wednesday, Jan. 26, at the organization's annual meeting, Mrs. Keniston will be serving a second term.

She was president in the early days of the association which served rural area peo-

ple with prepayment plans for medical and hospital care.

Robert Eaton of Elwood, president for two terms, resigned to become district 1 director for the state HIA.

Lester Schroeder of Peotone and Russel Lauffer of Mokena were named directors of the county HIA to replace Lloyd Eberhard of Plainfield and Mrs. George

Sangmeister of Mokena whose terms expired.

Mrs. Howard Phelps of Plainfield also retired from the board on expiration of her term. Mrs. Lloyd Leupold of Plainfield was added to the board membership by virtue of her position as chairman of the association's scholarship committee.

Other directors who continue to serve are Eaton, Mrs. John Breen and Mrs. Nicholas Bokan of Joliet, Mrs. Raymond Walsh of Manhattan, Mrs. Ivan Archibald of New Lenox and Mrs. LaVerne Kramer of Plainfield.

Officers will remain the same as last year except in the case of the presidency.

Emmett Severson of Joliet will continue as vice president with Mrs. Edward Berens of New Lenox as secretary and Bruce Anderson of Lockport as treasurer.

The association announced the appoint-

ment of Mrs. Kathleen Erickson of Elwood as office secretary to replace Mrs. Mary Connor who retired after 21 years of service.

William James, director of the local social security office was guest speaker.

Choral group at farm meeting

NEW LENOX — Kolage '72 choral singers from Joliet Township High School's east campus will set the tone for a lively annual meeting of Will County Farm Bureau, Saturday, Feb. 19, at Lincoln-Way High School, New Lenox.

The singers, directed by Arlene Nutti, will supply entertainment on the program.

The day's activities will begin with dinner at 11:45 a.m. and the business session will get under way immediately afterward. Registration will be from 11-11:30 a.m.

Reservations are needed for the dinner, according to Eugene Malone, executive secretary. Tickets are available from the Farm Bureau office, 100 Manhattan Road, Joliet, and from directors as well as from salesmen of affiliated companies.

Joliet college announces 69 area honor students

JOLIET — There were 69 Lincoln-Way area students among the approximate 500 named to the Dean's list for the fall semester at Joliet Junior College. To qualify a student must have an average of between 3.0 and 4.0 and carry a full load of classes.

Students from the Lincoln-Way High School area on the list are: Frankfort: Edward Bruske, 660 Fairway Lane; Ruth Fleck, Rt. 1; Lyle Koester, Rt. 1; David Lewin, 203 Nebraska; Ilona Wilson, Fairbury Oaks; James Dillon, 621 Prestwick; Marvin Kent, 305 Wisconsin; Gail Pomakala, 140 Walnut St.

Mokena: Keith Bachman, Rt. 1; Kenneth Benson, 11034 Hiawatha; Gloria Dahlke, 9424 Willow; Joyce Funick, 19531 Walnut; Larry Jausser, 11040 Third St.; Thomas Jasinski, 11510 W. 192nd St.; Loretta Louis, 19530 Poplar; William Lowry, 18912 S. 113th Ave.; Nancy Schramm, 20016 Scott St.; Martha Schult, 11117 Parker; Ruth Terracina, 9442 Hickory; Janet Wagner, 193rd St.; Kedra Welsh, Briarwood Lane; Candice Fee, 11200 W. First St.

New Lenox: Connie Daum, 1243 Gordon; William Kramer, 709 S. Cedar; Wil-

liam Krohn, 116 Hickory; M. Luckhart, 123 Roy St.; Stephen Pytel, 925 S. Ogden; Anthony Shiner, 737 S. Pine St.; Theodore Ziegler, 933 Prairie; Esther Cronk, 136 Kimber Dr.; Wayne Gray, 2911 Sheffield; Ruth Hoyt, 424 W. Firemen to hear state med plans

FRANKFORT — Earl LaFlam, coordinator for the Will County Division of Emergency Medical Services and Highway Safety, will speak at the meeting of the Frankfort Volunteer Fire Department next Tuesday night, Feb. 22.

He will discuss the statewide program for upgrading medical facilities and emergency service in injury cases.

LaFlam will present the same program at a meeting of the Mokena Volunteer Fire Department March 15.

Loebe marks 35 years of perfect job attendance

NEW LENOX — Lewis Loebe, 165 Oakview Drive, has probably set some kind of a record on faithfulness to a job. Last week marked his 35th anniversary with Illinois Bell Telephone, where he has never missed a day of work.

He began his career with Illinois Bell at Gary, Ind. in 1937 and has served in various capacities in personnel, plant, commercial and marketing departments. He

is now operations supervisor for the upstate area.

He is chairman of the New Lenox Planning Commission, president of Providence High School board of education, a director of Rainbow Council, Boy Scouts, and income development chairman of the Will County Cancer Society. He and his wife, Marjorie are active in the Lincoln-Way Community Players and he also sings with a barbershop quartet.

Klotz joins Mokena police auxiliary unit

MOKENA — Carl A. Klotz Jr. has been appointed to the Auxiliary Police unit of Mokena. His appointment has been confirmed by the board of trustees at a regular council meeting.
